WELCOME IS READY FOR THE TEACHERS

WILL BE MET AT TRAINS TONIGHT AND TOMORROW

SESSION IN THE MORNING

Maryville Visitors May Attend Meetings, But Must Obtain Cards at the Desk

Tonight and tomorrow Maryville will begin to entertain more education than it has had in the city limits for a long time. The first teachers for the Northwest Missouri Teachers Association convention are expected to arrive this evening. The sessions will begin tomorrow.

The transportation committee of the Chamber of Commerce, of which Earl Barmann is chairman, has arranged for twenty-five or thirty automobiles to meet the trains. The first train met will be the 7:40 o'clock Wabash from the east tonight. Other trains will be met tonight and tomorrow. All the teachers who are planning to attend are expected to be in Maryville by tomorrow evening.

Rooms for as many teachers as are not already provided for have been listed after diligent work on the part of the Chamber of Commerce ,and it is thought that there will be no difficulty in taking care of all who arrive.

Upon arrival, the teachers will be taken to the Zook building on Main street, which has been fitted up for a registration headquarters. There they will be assigned to rooms, and escorts will be provided to see that they arrive safely at their rooms.

At the State Teachers College, where the sessions will be held, an enrollment desk will be in place on the second floor, at the top of the stairs. Visitors who desire to attend the sessions with the teachers must get cards of admission at this desk.

The Northwest Missouri Teachers Association, whose annual meeting will begin at the auditorium of the State Teachers College tomorrow morning, is one of the eight divisions of the State Association. The first five divisions correspond to the territory alloted to the state teachers colleges. The three large cities—St. Louis, Kansas City and St. Joseph—constitute districts in themselves. The teachers of the state pay one fee which provides membership in both the district and the state association. They may attend other meetings as they choose.

The state meeting is held this year in St. Louis, beginning Thursday, November 6, and lasting three days. The fact that the state meeting is held in St. Louis should give the Northwest Missouri Association a record attendance, as none of the counties in its district will hold their fall association in their local county, most of them making the district meeting the equivalent of their regular fall association.

The program for this meeting is a good one in every respect and the citizens of Maryville will find it worth while to attend the various sessions. Admission is by membership card or visitor's card, which may be secured from representatives of the committee in the lobby of the entrance of the auditorium. Every one interested in better education will be welcome to these meetings.

LOCAL EDUCATORS TO HELP IN SOUTH DAKOTA CAMPAIGN

President Richardson, Miss Anthony, Superintendent Cooper on List to Better Rural Schools

President Richardson of the State Teachers College has been asked to participate in the campaign for rural education which is being instituted by the State Department of Education of South Dakota during the three weeks beginning October 27.

President Richardson has indicated that he can spend the first week in the campaign. Miss Hettie M. Anthony of the home economics department of the college has been asked to assist and will probably help the last week. County Superintendent Bert Cooper will also assist in the campaign during the first week.

Dr. P. G. Holden and his co-workers will actively engage in this campaign, which is looking to the establishment of better teaching and better organization in the rural schools of that state.

At a meeting of the faculty of the college yesterday afternoon, Miss Mildred Miller reported the proceedings of the recent conference on rural education held in Sioux Falls, South Dakota, under the direction of the United States Bureau of Education. Miss Miller attended this meeting as a representative of the State Teachers College the first of last week. This conference was participated in by the governors of three states and the state superintendents of some ten or twelve states, and a number of workers from colleges and universities, as well as a large number of the teachers and county superintendents of South Dakota.

President Passes Good Night.

Washington, Oct. 22. — The president passed one of the best nights since his illness, according to a bulletin at the White House today, issued by Grayson. Temperature, pulse and respiration continue normal, and digestion is more satisfactory.

ATTENDED LARGE CHURCH GATHERING

REV. R. E. SNODGRASS HOME FROM CHRISTIAN CONVENTION

C. M. CHILTON TOOK HAND

Brought Order Out of Chaos in Stormy Session; Is Former Pastor of Maryville

The Rev. R. E. Snodgrass of the Christian church returned last evening from the International convention of the Christian churches at Cincinnati, Ohio. The Rev. and Mrs. W. A. Chapman of Pickering, who attended the meeting, returned Monday.

According to a dispatch from that city, it remained for Rev. C. M. Chilton of St. Joseph, a former pastor of the church here, to bring order out of chaos during a stormy session of the convention. tI was during a hot session, while personalities were being flung back and forth by the delegates, that Reverend Mr. Chilton called attention to the fact that the proceeding was not an inquisitorial court and therefore the delegates were out of order.

The chair sustained the suggestion and order once more reigned.

Resolutions were adopted by the "congress" of the conservatives of the disciples, who met in separate session earlier in the convention were the proceedings before the convention. These resolutions protested against tendencies in favor of higher criticism, rationalism and "open membership." The resolutions subsequently were tabled and this means that they will be dormant for another year.

The dispute began when Rev. V. C. C. Crawford, Albia, Iowa, called into question the faith and practice of Rev. A. E. Cory, one of the secretaries of the inter-church world movement and formerly secretary of the Men and Millions movement of the Disciples, who is well known in Maryville, and of Rev. Grant K. Lewis and Rev. Robert M. Hopkins, secretaries of the American Christian Missionary society.

Speaking of the resolutions proposed by the "restoration congress," Reverend Crawford said:

"We are asking our missionary societies, to which we entrust money for missionary purposes, to give attention to these matters. Unless settled soon we are sure to divide. I hereby call upon these secretaries to declare themselves with reference to "one Lord, one faith, one baptism." Let them get up and answer these questions like men. He called the men by name. Reverend Cory was on his feet immediately, declaring that he had been a minister in China twenty-six years, a preacher of the Disciples thirty years, a missionary secretary eight years, and this was the first time his faith had ever been called into question. Reverend Cory said he believed in the divine conception of Christ, his virgin birth, and had preached it and would continue to preach it as long as he lived.

Doctor Lewis followed with a similar statement as did Reverend Hopkins.

Other personalities concerning other delegates at the convention then flew thick and fast until finally Reverend Chilton got the floor and made his talk and order was restored and the session continued with the tabulating of the resolutions introduced by the "congress."

To Report on Church Convention.

At the mid-week meeting of the Christian church at 7:30 o'clock this evening, the Rev. R. E. Snodgrass, the pastor, will give a brief report of the convention he attended at Cincinnati, Ohio. All of the Sunday school teachers and officers are requested to attend this meeting, and a short business session will be held following the meeting to make plans for the "Go-to-Sunday-School" day next Sunday.

MRS. E. A. VINSONHALER TO BE BURIED HERE; DIED IN WEST

Widow of Judge Vinsonhaler of Maryville Will be Laid to Rest Beside Husband

Maryville friends have received word of the death of Mrs. E. A. Vinsonhaler of Seattle, Wash., a former resident of this city for a number of years, which occurred in Los Angeles, Calif., Sept. 21. The body will be brought here for burial beside that of her late husband, Judge E. A. Vinsonhaler, in Miriam cemetery.

Mrs. Cora Bayless Vinsonhaler was born near Binghamton, New York, October 31, 1853, and died in Los Angeles, Calif., Sept. 21, 1919. Mrs. Vinsonhaler had been suffering from nervous stomach disorder for some time, but was not regarded as seriously ill until a short time before her death. Her early childhood was spent at Highland, Kan., and she graduated from Highland University in 1874.

In 1884 she was married to E. A. Vinsonhaler of Maryville, and lived in this city for many years. The family moved to Seattle, Wash., several years ago where Mr. Vinsonhaler died a few years since. Mrs. Vinsonhaler went to Arizona last May, hoping that change of scene and climate might prove beneficial. Relief proved to be only temporary and later she was taken to southern California for special diet treatment, but to no avail. Her son, Bayless W. Vinsonhaler, and her brother, J. S. Bayless, and wife, were with her at the end.

The remains were taken to Seattle and final interment will be with her husband in Maryville. Near surviving relatives are her three daughters, Louise, Sarah and Elizabeth Vinsonhaler, her son, Bayless Vinsonhaler, her father, W. H. Bayless, and two brothers, C. H. and J. S. Bayless.

THEY ALL PLAY AT FOOTBALL; NOW WE HAVE A TOWN TEAM

First Practice Announced for Tomorrow Evening; May Have Game With the S. T. C. Eleven

The football bug is biting them all this fall. Now comes the Maryville town team, as its originators insist on calling it, and announces its first practice for 6:15 o'clock tomorrow evening on the State Teachers College gridiron.

No schedule has been arranged for the team, aside from a tentative game with the State Teachers College team, set for next week some time, the day not yet chosen. As none of the candidates for the town team is in first class condition to stand a full game, it is the plan of the backers to get out enough men for two or three teams and let them all play part of the game. This handicap is expected to make up for part of the college team's superiority.

The following, most of whom have had some experience at the game—Deatherage, for example, being a former star of the University of Missouri Tigers—have signified their intention of doing what they can for the town team: W. N. Deatherage, Emmett Bartram, Loren Price, G. B. Holmes, Jr., Loren Egley, Richard Collins, Perry Culver, Clarence Vogt, Ralph Palmer, Arch Carter, Hugh Hunter, Lawrence Ogden, Merle Selecman, Charles Kane, Clyde and Harold Sawyers, Dr. Jesse Miller, Jr., Dr. K. R. Malotte, Albert Kuchs, Martin Lewis, Jr., Claud Pierpont and Ed Goodspeed.

COLLEGE FACULTY MEMBERS AWAY ON EXTENSION WORK

Three Go to New Point, Holt County; Two Are to Speak at Eureka School, Atchison County

Several members of the State Teachers College faculty are away from Maryville today in extension work.

Miss Beulah Brunner, C. G. Stiensmeyer and Miss Laura Curfman are attending a community and school fair at the new consolidated school at New Point, Mo., in Holt county. Miss Brunner will speak on "Malnutrition of School Children." Miss Curfman and Mr. Stiensmeyer will judge exhibits in home economics and agriculture, respectively.

Miss Hettie M. Anthony and Dr. Fred Keller are attending a similar meeting at the Eureka school in the northern part of Atchison county. In addition to judging exhibits in home economics, Miss Anthony will talk on "School Lunches." Doctor Keller will talk on "Better Rural Schools for the Better Rural Community."

Slight Earthquake at Rome.

Rome, Oct. 22.—An earthquake occurred this morning. Buildings were shaken by the tremors.

GOVERNMENT MAY FACE COAL STRIKE

PROSPECTS FOR ACTION IN THE CRISIS ARE GOOD

SECRETARY HAS A PLAN

Wilson Offers Program for Conciliation to Both Sides; U. S. May Run Mines

Washington, Oct. 22. — Every government agency today was being prepared to meet the national crisis of a coal strike. Cabinet officers gave instructions in their departments to investigate the possibilities of the government operation of mines. The revival of the fuel administration is under serious consideration. There are slender hopes that the differences between the miners and operators will be smoothed out. The conference today was with Secretary Wilson.

Washington, Oct. 22.—A definite program to prevent the coal strike has been offered the operators by Secretary Wilson, and the operators agreed to consider the program favorably this afternoon. The program, wihch is being kept secret, will go to the miners late this afternoon.

On Way to New Home in Indiana.

Mr. and Mrs. Charles Jones and son, Will, who recently sold their property north of Maryville, are now on their way to Redkey, Ind., near where they intend to make their home. They are traveling overland in a motor car, after shipping their goods from here Monday. The Jones family drove through that territory last fall. Will Jones has a very good position near Redkey.

Finns Oppose the Bolsheviki.

Helsingfors, Oct. 22.—The Finnish government, refusing the conciliation proposals, will join in the anti-Bolshevik military operations against Petrograd, it was learned today.

Go to Sunday School Sunday, October 26.

Mrs. George Bellows Sells Home.

Mrs. George P. Bellows sold her residence, 403 West First street, yesterday to Mr. and Mrs. Fayette Bellows, who will take possession about the first of November. Mrs. George Bellows leaves Saturday afternoon for Chicago to make her future home.

Exhibits for Show Coming in.

Exhibits for the Nodaway County Agricultural and Domestic Science Association's show have been arriving in Maryville today. A notice on the door of the county superintendent's office directs that they be taken to the State Teachers College, where the show will be held tomorrow, Friday and Saturday, and they are being put in place there to remain until the end of the meeting of the teachers' association. All entries for the contests must be in place before tomorrow noon.

Guests of H. L. Haines.

Mr. and Mrs. Charles Haines of Sabetha, Kan., and Mr. Haines' sister, Mrs. Arthur Slawson of Newkirk, Okla., spent yesterday in Maryville the guests of Harvey L. Haines.

News About Palestine Church.

A "better corn" lecture entitled "Corn Is King," will be given at the Palestine church Friday evening, October 24. Both slides and motion pictures will be used. There will be no admission charge, and all are welcome. Elder S. R. Harlan will preach next Sunday, both morning and evening. A report of the convention will be given at the morning hour.

Frank Miller Administrator.

In the probate court, Frank Miller today was appointed administrator of the estate of Hannah Miller, who died at Burlington Junction July 12, 1919.

Go to Sunday School Sunday, October 26.

Miss Louise Koeppel of Chicago is the guest of Mr. and Mrs. Eldon Irvin. Miss Koeppel accompanied Mrs. Irvin here Monday night from Nebraska City, Neb., where she has been visiting her parents.

W. C. Baker of Ryde, Calif., who for a month has been visiting his little daughter, Winifred, at the home of her grandparents, Mr. and Mrs. William Langan, in Maryville, will leave tonight for California.

DIVORCE SUIT UP IN COURT TODAY IS HOTLY CONTESTED

William J. Wagner Sues Sarah E. Wagner, Who Files Cross Bill; Judge Dawson Home

A hotly contested divorce suit—William Jacob Wagner against Sarah Ellen Wagner—was being heard in circuit court today before Judge J. H. Sayler, sitting as special judge. The case, in which the defendent has filed a cross bill, is an outgrowth of an indictment issued several months ago against Wagner on a charge of incest. He was tried at the April term of circuit court and was acquitted.

A motion for a new trial will be filed in the case of Lena J. Wright against the Great Eastern Casualty Company, which was thrown out of court yesterday, and if the motion is overruled an appeal will be taken to the Kansas City Court of Appeals.

Judge John M. Dawson returned home today from Albany, where he held court Monday and Tuesday.

VOTES THAT ALL SIGNATORIES MUST ACCEPT RESERVATIONS

Senate Foreign Relations Committee Today Adopts Provision Governing U. S. Action

Washington, Oct. 22.—By a vote of ten to seven, the senate foreign relations committee today adopted a provision that reservations to the German peace treaty finally adopted by the senate must be acquiesced in by other nations signatory to the document.

Go to Sunday School Sunday, October 26.

Mr. Goforth in Creston.

W. E. Goforth is in Creston, Iowa, where he was called to attend a meeting of railroad men to be held in the superintendent's office at 2 o'clock this afternoon. He will return home tomorrow.

Longshoremen Split on Strike.

New York, Oct. 22.—Only a handful of striking longshoremen today responded to a vote to return to work, and the harbor tie-up continued in force. Factional strife in the union has grown stronger as a result of developments, the radicals remaining away from the piers and the conservatives returning to work at increased wages.

Riots Feared in Steel Strike.

Youngstown, O., Oct. 22.—Fear was expressed today that the most serious trouble in the steel strike here so far, in two clashes where the negro strike breakers and union pickets figured, may lead to riots. Three union pickets were wounded by negroes, and a negro is alleged to have stabbed two pickets, one fatally.

Hopkins Blacksmith Arrested.

Charged with passing a worthless check for $18 on Dr. A. L. Cleveland, dentist, several months ago, S. M. Chaney, a blacksmith of Hopkins, Mo., was arrested late yesterday at the St. Charles hotel. Chaney is forty-five years old. The police said he would be handed over to the state authorities.—St. Joseph News-Press.

Mrs. R. E. Snodgrass of Peru, Neb., whose husband was formerly in the hardware business in Maryville, was the guest yesterday of Mr. and Mrs. Harry Harrison. Mrs. Snodgrass, who has been visiting her father, Captain James Ewing, at Hopkins, met Mr. Snodgrass at Burlington Junction today. They will complete their trip home in a motor car.

Kyle P. Phares went to St. Joseph this morning on business.

Mrs. Mary Nelson of Ravenwood was the guest yesterday of Miss Leora DeShazer of the Yehle Dry Goods store Other Ravenwood people in Maryville yesterday were Mrs. Frances Ross, Mrs John Kirkbride and son, Max, Frank Ross and little daughter, Leola

CONFERENCE GETS WILSON'S LETTER

PLEA FOR AGREEMENT FAVORABLY RECEIVED BY SOME

RESOLUTION HEADED OFF

Unfortunate, Gompers Says of Spargo's Motion Pledging All Members to Stay on the Job

Washington, Oct. 22. — The president's letter containing a plea that a common agreement be reached was laid before the industrial conference today. After the letter had been read to the conference by Chairman Lane, John Spargo of the public group, moved that the conference adopt a resolution pledging each group individual to remain in the conference until the program had been prepared. Parry Wheeler of the employers group seconded the motion. Gompers declared that Spargo's motion was unfortunate, and it was withdrawn at the request of Secretary Lane. The conference then adjourned for half an hour to give the labor group an opportunity for further conference.

RUSSIAN SITUATION CLEARS; BOLSHEVIKI STILL HOLD OUT

Hard Fighting Takes Place Near Petrograd, But Both it and Kronstadt Are Kept

London, Oct. 22.—Hard fighting is taking place six and a half miles south of Petrograd, according to a Central News Helsingfors dispatch today. The Bolshevik commander is reported to have summoned several regiments from Moscow to assist in repulsing attacks on Petrograd.

The Russian situation, obscured for a week, somewhat cleared today. Petrograd is still held by the Bolsheviki, according to most trustworthy advices. Kronstadt has been officially reported in the hands of the anti-Bolsheviki, but this is not borne out by the latest dispatches. The Denexine advance has evidently slowed up and the prediction that he would be in the Soviet stronghold within six weeks is regarded as too optimistic.

The Bolsheviki evidently have attempted a counter offensive against Kolchak on the East Russian front. For the time being the fighting on the North Russian front seems to be standing still.

To Attend Hughes Funeral.

Mrs. Lauris M. Eck of Chicago will arrive tomorrow morning to attend the funeral services of her uncle, Thomas Hughes, who died Monday evening. A brother-in-law, George W. Snapp of Oklahoma City, Okla., is also expected tonight to attend the funeral. The services will be held tomorrow afternoon at 2 o'clock at the home of N. Sisson, conducted by the Rev. R. E. Snodgrass of the Christian church. The Masonic Lodge, of which Mr. Hughes was a member, will have charge of the services at Miriam cemetery, where the body will be interred. Eliss D. Orear, Ed G. Orear, John Murrin, Virgil Keene, Al Royston, George B. Baker, M. G. Tate, and J. B. Robinson will act as honorary pallbearers and the active pallbearers will be E. E. Williams, M. A. Peery, James Todd, Luther E. Forsyth, Clive C. Graves and Fred Hull.

High School Box Supper Postponed.

The box supper that had been planned by the senior class of the Maryville high school for tonight has been postponed. It was feared that it would conflict with the training for the football team and with the arrangements for the teachers meeting.

Weather for Today

Unsettled tonight and Thursday; probably showers east and south portions; warmer tonight.

SAYS H. S. ASSOCIATION WILL REORGANIZE FOR YEAR'S WORK

News-Press Declares Dissatisfaction Will be Ironed Out at Meeting Here This Week

Officers of the Northwest Missouri High School Association are working to reorganize the association this year and make it stronger than ever before, says the St. Joseph News-Press. It was decided at the annual meeting of the association in the spring to widen its scope and to make it more liberal in its dealings.

There was a great deal of dissatisfaction last year because of alleged discrimination against the larger schools in the association, particularly Central high School of St. Joseph. This school as well as Benton of St. Joseph, and two other larger schools, were barred from the basketball tournament last winter without apparent reason, and the majority of the members then took up the fight to change the policy of the association.

There are sixty-one high schools in this part of the state, out of a possible 110, that are members of the association, and an attempt wil be made to get the majority of the others in this year.

E. C. Bohon of Savannah heads the association this year, and with a new set of officers and a new board of control, will attempt to put the organization on a strong footing before the end of the year. Tennis will be included in the sport program, and there will be more literary and musical events than heretofore.

At present the association has sent out blanks to all of last year's members, asking that they all pay the entry fee in the association and be eligible for all the events on the program of the organization this year. A meeting of the board of control will be held at Maryville Thursday and Friday at which time arrangements will be made for the reorganization of the association. Members of the board of control are: C. M. Hobart (Benton), St. Joseph; E. C. Bohon, Savannah; A. L. Daily, Richmond; D. W. Diemer, Excelsior Springs; J. M. McDonald, Maryville, and E. C. Ellsworth, Platte City.

FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, $1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

AN ENEMY OF WOMANHOOD.

The complexion, digestion and almost the complete personality of woman are dependent upon health. Woman's ills are her great enemy, as they cause bad complexion, dark circles under the eyes, headache, backache, nervousness, sleeplessness, dragging down pains and the blues, and often totally unfit her for a companion. The great American remedy for such conditions is Lydia E. Pinkham's Vegetable Compound, which has been restoring three generations of ailing women to health, and may be relied upon with perfect confidence.

Camel Cigarettes

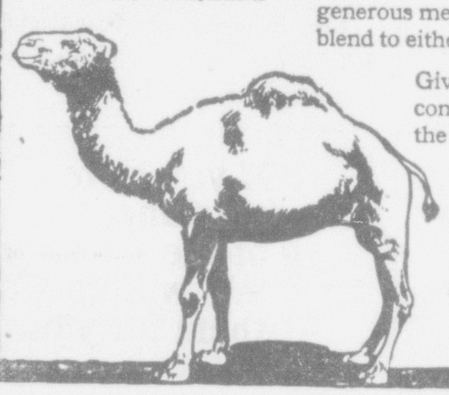
18 cents a package

Camels are sold everywhere in scientifically sealed packages of 20 cigarettes; or ten packages (200 cigarettes) in a glassine-paper-covered carton. We strongly recommend this carton for the home or office supply or when you travel.

They Win You On Quality!

Your enjoyment of Camels will be very great because their refreshing flavor and fragrance and mellowness is so enticingly different. You never tasted such a cigarette! Bite is eliminated and there is a cheerful absence of any unpleasant cigaretty after-taste or any unpleasant cigaretty odor!

Camels are made of an expert blend of choice Turkish and choice Domestic tobaccos and are smooth and mild, but have that desirable full-body and certainly hand out satisfaction in generous measure. You will prefer this Camel blend to either kind of tobacco smoked straight!



Give Camels the stiffest tryout, then compare them with any cigarette in the world at any price for quality, flavor, satisfaction. *No matter how liberally you smoke Camels they will not tire your taste!*

CAPE GIRARDEAU PRESIDENT OPPOSES TEACHERS' UNIONS

W. S. Dearmont Writes a Letter, Holding That They Must Act as Officials of the Public

Jefferson City, Oct. 22.—Characterizing school teachers as public officials, W. S. Dearmont, president of the State Teachers College at Cape Girardeau, has written the Missouri School Journal a letter in which he opposes any school teachers' union, affiliated with the American Federation of Labor. The Missouri School Journal, devoted principally to the interests of teachers, is gathering opinions on the subject.

Mr. Dearmont writes:

"The teachers in the public schools are public officials. As public officials supported by public taxation, they are in duty bound to support the constitution and laws of the state and must seek to secure their rights under the laws and through the use of regularly and legally established meth ods. They have a legal remedy and are under sacred obligations to the public to seek their rights through legal means and not by resorting to violence.

"Labor organizations, whose members are working for private corporations, are differently situated and are often without a legal remedy. For this reason no teachers' organization should be affiliated with labor organizations whose members are employed by private corporations."

Mr. and Mrs. George McArthur of Pickering were in Maryville to attend the funeral of Mrs. J. Emmett Beal.

CONGRESS ASKED FOR A R. R. BILL

PLENTY OF IDEAS PRESENT, BUT NO REAL ACTION

MUST WAIT ON TREATY

Committee About Ready to Report Revised Cummins Plan; Esch Proposal Not a New One

Washington, Oct. 21.—The ears of congress are now beginning to ring with insistent demands from various phases of business and labor interests from all sections of the country that something be done about the railroads and be done quickly. Five months have elapsed since President Wilson convened congress in extra session to pass the legislation needed for America's many reconstruction problems, and solutions by the Republican-controlled congress are lacking in almost every instance. As regards the biggest of the problems the Republican majority so far has written "failure to enact" opposite each item in the long list.

Railway legislation is about in this condition: The senate committee on interstate commerce is practically ready to report the revised Cummins bill, but nothing will be done with it until the opponents of the peace treaty and League of Nations tire of obstruction and agree to vote on the question of ratification. The house committee on interstate and foreign commerce is still awaiting the report of the subcommittee of five on the Esch bill, at this writing, so there is a slim chance of the house passing the measure before the yearned for adjournment on November 10.

Esch Bill Not a New Plan.

The Esch bill does not provide for a new plan of railroading, but rather the amending of the present laws to facilitate the return of the properties and then their regulation by the government.

The Cummins bill as it will be reported by the full senate committee will represent the views of probably 14 of the 17 members, and will differ in some very material points from the original draft, many provisions of which caused protracted debates throughout the country.

As at present drawn the Cummins bill will entirely change the method of rate making heretofore in vogue. Rates are now evolved upon the individual articles carried, such as a bushel of wheat, a ton of pig iron, etc. The senate bill will provide for an adjustment of rates based upon what constitutes a reasonable return on the property investment of the different roads.

Will Regulate Returns.

The question of what return a road should be permitted to make is another important point, naturally, under the present system a railway can make as much as it pleases, circumstances permitting. The bill as drawn shows a modification of the original Cummins idea that aroused the criticism of former Justice Charles Evans Hughes recently. It is planned to allow the railroad 6 per cent on its investment, to receive one-half of the earning from 6 to 7 per cent and one-quarter of the earnings above 7 per cent. The balance of the excess earnings is to be turned over to a board of transportation as capital for loans to the railroads for extensions, rolling stock, rehabilitation, etc.

The revised Cummins bill will penalize interference with interstate commerce. This is the provision that aroused such determined opposition among labor leaders who maintained the right to strike. The principles of this important point are the same as in the original bill, but it is considerably modified in detail.

Board to Control Wages.

One of the numerous boards proposed to be created for the handling of railroad problems will have control of the wage question, and so will naturally be burdened with many of the responsibilities of the labor problem.

The board of transportation will have many duties in addition to acting as a sort of intermediary banker for railroads needing financial assistance. To it is assigned the important duty of returning the railroads to their private owners, and to arrange for their maintenance and operation in the interval that must ensue until the federal government and the companies have settled their accounts. The roads secured financial assistance in large sums from the government for rehabilitation through federal operation, and at a time when their credit was exhausted, in most instances, and their needs were great. Many of the properties had been permitted to run to seed before Uncle Sam took control.

With the radical differences already in sight in the railroad bills to be reported to the senate and house, it can be readily seen that the chances of both houses passing their respective measures and then agreeing on a compromise to be enacted into law—all before January 1—are vague indeed.

NO sting or hot burnin' is a mighty weak-kneed recommendation for tobacco. But when tobacco *is* mild and cool, and yet as full of "fun" as a barrel of monkeys—well, that's another story—that's Velvet.

And 'cause why?

'Cause Velvet is *brought* up—not jerked up by the hair. It's raised as carefully as a favorite child. It's cured in the big fresh air. And it mellows away for two years in wooden hogsheads 'til it's smooth and rich as cream. The wonder would be if Velvet *wasn't* a whacking good pipe smoke.

"Let Nature mellow yo' tobacco an' that tobacco will shore mellow yo' nature," says Velvet Joe. And he's pretty nearly right.

NATURE-AGEING in the wood does more to make tobacco friendly than any camouflage you can cover it with—and don't you forget it. *See, taste, smell, feel* the "real tobacconess" in Velvet. Why, you can almost *hear* it. Velvet's the tobacco you can judge with your eyes wide open and specs on.

There's a whole lot in Nature's way of making good tobacco better. And it's all in Velvet.

Here's to a full pipe and a friendly one.

"A little knowledge is a dangerous thing"—and the confirmed tire "shopper" can hardly hope to have more than a very little knowledge of any make of tires—or any real understanding of true tire economy.

The car owner who rides on Firestone Gray Sidewall Tires stops "shopping." He knows that at least one make of tire delivers more miles of service. He knows that the name Firestone uniformly spells economy to him.

KEY MAN FORCED TO QUIT HIS JOB

Lay Helpless in Bed When He Got Tanlac—Gains 25 Pounds and Is Now Back at Work

"When I took my first dose of Tanlac I was flat on my back in bed and my wife and friends had lost all hope. Five days afterwards I was out of the bed, and now, since taking six bottles I'm back at work, feeling as well as I ever felt in my life, and I have gained twenty-five pounds," was the truly remarkable statement made a few days ago by A. W. Ruggles, a well know telegraph operator, living at South Spring street, Springfield, Illinois.

"I know it's hard for people to believe this," he continued, "but it's the honest truth. My wife and all my neighbors as well as a host of friends will testify to what I say and I am willing to go before a notary and make an affidavit to this effect.

"About ten years ago I began to suffer with indigestion and stomach trouble. My appetite began to fail me and no matter how many tempting dishes my wife would fix up I just had to force myself to eat. This, of course, weakened me terribly, and before long I realized I was breaking down under the strain of my trying to work at the telegraph key. My nerves were all torn to pieces and it was only by main force that I stuck to my key in the afternoons when the work began to pile up.

"Nobody will ever know how I suffered unless they have been through the same thing. Every time I ate anything I would have terrible pains and cramps around my stomach afterwards. Gas would form and press against my heart until I would get right dizzy, and several times I actually fainted. My work was simply torment to me. I would break out with cold perspiration at the least little excitement, and in a few moments would be so weak I could hardly sit up. I couldn't sleep to do me any good and kept going down until I had lost twenty-five pounds.

"Finally I just had to quit work altogether and went home to be a nervous wreck. I had lain there helpless for six weeks and everybody who saw me thought I'd never get up again, when my wife got some Tanlac and I took it, and, as I said before, in five days I was out of that bed.

"Well, sir, I'll admit I was surprised, but my friends who had not been allowed to see me a few days before were dumfounded to see me up and looking so fine. I kept on taking Tanlac until now I am back at work and feel as well as I ever felt in my life. I eat anything I want, enjoy every mouthful and nothing hurts me at all. The pains have all disappeared and I sleep sound all night long. I enjoy my work just like I used to years ago and I feel so thankful for what Tanlac has done for me that I would like every person in the world who is suffering like I was to know about it."

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Coster Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, in Hopkins by Hopkins Drugs Co., and in Parnell by F. L. Hart." ADV.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound mixed with olive oil. They act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood, and purifying the entire system. They do that which calomel does, without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 10c and 25c a box.

KING ALBERT IN MISSOURI AMERICAN LEGION MEMBER

Sid Houston, State Commander, Bestows Honor Upon Him on Train in Kansas

With less ostentation and dignity than is usually accorded persons of much lower rank, Albert, king of the Belgians, received the title of honorary state commander of the American Legion for Missouri last night on his special train speeding from Emporia, Kan., to Kansas City, says the Kansas City Times. Sid Houston, state commander, bestowed the title upon his majesty.

In making the presentation of the title, together with an enlarged replica in gold of the American Legion membership button, Houston asked that the king keep it as a memento of the honor and respect in which he and his heroic nation are held by the two hundred thousand boys from Missouri who served in the great war.

Albert expressed appreciation of the honor, and said: "American soldiers won the war. The boys came from the safety and comforts of this great nation of their own accord, and threw their strength into the war when the Allies had almost finished their fight. I shall always have the highest respect for those wonderful boys from Missouri and the entire nation who offered their lives in the great cause. It is a source of much pride to me to be honored by one of their representatives."

In responding Houston asserted the Americans had not won the war alone, but had merely finished it.

"Had it not been for the heroic stand of the Belgians in the early days of the conflict," he said, "there probably would be another story to tell today."

Do not neglect the warning of nature. If your appetite is poor, breath bad, tongue coated, you will be sick unless you take steps to put your system in good condition. Prickly Ash Bitters is the remedy you need It purifies the bowels, strengthens digestion and regulates the liver. Price $1.25 per bottle. Maryville Drug Co. special agents. (Adv)

Complete Automobile Service

THE SEWELL-KRAMER MOTOR AND TIRE COMPANY OF MARYVILLE, is one of the most complete Automobile Concerns in the northern part of Missouri.

We operate a large, spacious garage, with ample accomodations for storage and care of automobiles, and with a repair department equipped to handle all kinds of automobile repairs, under the supervision of an expert mechanic.

OVERLAND AND WILLYS-KNIGHT CARS.

We have the exclusive sales agency for the Overland and Willys-Knight. The reputation of these cars and the wonderful motor used by the Willys-Overland makers, has made them a favorite of thousand of enthusiastic owners all over the world. During the war, when the Willys-Knight factory was engaged in government work, the factory fell behind many thousands of cars, and the demand kept steadily increasing. Since resuming work on a larger scale than ever before they have still failed to catch up, but it is now possible to get Overlands and Willys-Knight cars by ordering ahead. We have some cars on hand, and will be able to supply you with very little delay at any time.

OUR TIRE DEPARTMENT.

This is a very important branch of our business as the tire rebuilding business has grown into such proportions as to require from four to six men all the time. Rebuilding is done with the most modern machinery, in the same way that tires are built in the first place. These rebuilt tires will run from two-thirds to three-fourths the mileage of new tires and in many cases as long as the new ones. We keep a number of these rebuilts on hand all the time for sale, and also rebuild your old tires, providing the fabric is still worth putting side walls and treads onto. We do not rebuild a tire that is beyond repair, because all of our work is guaranteed.

FIRESTONE TIRES.

We have the sales agency for the Firestone Tires. Our experience in tire rebuilding has taught us a great deal about tires, and we have chosen the Firestone, as our own choice of tire, built so that they are well worth the money. The Firestone is a dependable tire.

We are supplied with a complete line of these tires in all sizes and are prepared to supply your tire needs of every kind on short notice.

No matter what your auto requirements are, we are always ready to give you the best of service and we will be glad to have you make this garage your "terminal" station whenever you come to Maryville.

Give the world the once over

LISTEN, fellows, to some straight talk. Many a man when he gets to be 40, *misses something*. He may have lots of money, and a fine family but—

He never "got out and saw things". After he gets settled down, *it's too late*.

Every man wants to see the world. No man likes to stand still all his life. The best time to TRAVEL is when you're young and lively—right NOW!

Right NOW your Uncle Sam is calling, "Shove off!" He wants men for his Navy. He's inviting *you!* It's the biggest chance you'll ever get to give the world the once over!

The Navy goes all over the world—sails the Seven Seas—squints at the six continents—*that's its business*. You stand to see more odd sights, wonderful scenery and strange people than you ever dreamed of.

You'll work hard while you work. You'll play hard while you play. You'll earn and learn. You'll get, in addition to "shore-leave", a 30-day straight vacation—which is more than the average bank president can count on.

You can join for two years. When you get through you'll be physically and mentally "tuned up" for the rest of your life. You'll be ready through and through for SUCCESS.

There's a Recruiting Station right near you. If you don't know where it is, your Postmaster will be glad to tell you.

Shove off!-Join the U.S.Navy

Willard STORAGE BATTERY

What Keeps a Battery Young

To be reliable, a storage battery must have well-made plates.

Battery solution must be proper strength and required purity.

Battery jars must be mechanically strong and must allow no leakage of current or battery solution.

But it's the *insulation* between the plates that keeps that battery full of life and adds months to its term of useful service.

Drop in and ask us to tell you about Threaded Rubber Insulation, and some of the records it has made in keeping batteries on the job far beyond what used to be the battery age limit.

Frats Helped Baptist College.

Columbia, Oct. 22. — Seven Greek letter fraternities of the University of Missouri contributed $350 to the Stephens College fund drive here last week, their action, coming as it did when it looked as though Boone county's part in the Baptist college drive had failed, being a factor in saving the day for the county in which the university is located. The contributions in each case were voluteered by leaders in the different social groups, some explaining that if they had had time to arrange for it their gifts would have been larger. The seven letter organizations that contributed $50 each are: Sigma Alpha Epsilon, Sigma Chi, Kappa Alpha, Phi Delta Theta, Beta Theta Pi, Delta Tau Delta, and Alpha Tau Omega.
